

# UF Health Eye Outreach Clinic

Helping you focus on what's important to you!

*Outreach Clinic to provide affordable eye care to the underserved*

Visual impairment is a major disability. It can have a dramatic effect on quality of life. We believe that early detection and intervention is crucial. Our mission is to prevent and treat vision loss by bringing basic eye examinations and essential care to those in need.

**Held at HealthStreet – 2401 SW Archer Road**

**The last Tuesday of every month from 5:30pm to 8:30pm.**

**We are currently seeing patients for problems and conditions such as:**
